Our two speakers for the evening bring a wealth of experience in local government:

Janelle Archdale

served on Walcha Shire Council for 16 years.

In the position of Mayor she 'fought the good fight' with the community to save Walcha Council from amalgamation, and won.

Di Baker

is a councillor with Inverell Shire Council.

She has 25 years experience across local government and a degree in Urban and Regional Planning.

She is also a member of ALGWA, the Aust. Local Govt Women's Assoc. and is a strong advocate for women in local government.
